APPENDIX 4. FURTHER INFORMATION AND ACKNOWLEDGEMENTS continued

APPENDIX 4.2 ACKNOWLEDGEMENTS

Appendix 4.2 acknowledges the contributions of organisations that contributed information used to create these guidelines.

These guidelines have been written and prepared by the Environmental Education team at Warringah Council. Council especially acknowledges the funding received from the NSW DEC for the project. We also thank the Air Policy Section of the NSW DEC for their valuable contribution and acknowledge the input of the following organisations:

International

Government Organisations

- Californian Air Resources Board.
- Delaware Department of Natural Resources and Environmental Control.
- European Union.
- Georgia Department of Natural Resources.
- Illinois Waste Management and Research.
- Iowa Waste Reduction Centre.
- Louisiana Department of Environmental Quality.
- Minnesota Pollution Control Agency.
- Scottish Environment Protection Agency.
- United States Department of Labor.
- United States Environmental Protection Agency.
- Washington State Department of Ecology.

Other Organisations and Associations

- International Lead Zinc Research Organization.
- National Centre for Manufacturing Sciences.
- National Metal Finishing Resource Centre.
- New York Environmental Facilities Corporation.
- The Centre to Protect Workers Rights.
- University of Minnesota.

Australian

Government Organisations

- Australian Government AusIndustry.
- Australian Government Department of Environment and Heritage.
- Australian Government Environment Protection and Heritage Council.
- Australian Government National Occupational Health and Safety Committee.
- Australian Government Natural Heritage Trust.
- Brisbane City Council.
- Fairfield City Council.
- Government of Western Australia WorkSafe.
- Marrickville Council.
- New South Wales Fire Brigade.
- New South Wales WorkCover.
- North Sydney Council.
- Queensland Government Department of Industrial Relations.
- South Australian Environmental Protection Authority.
- Victorian Environment Protection Agency.

Institutions

- Australian Legal Information Institute.
- Curtin University Centre for Cleaner Production.
- Welding Technology Institute of Australia.

Industry Groups and Associations

- Air Pollution Control Equipment Manufacturer's Association.
- Australian Industry Group.
- Australian Institute of Environmental Health.
- Australian Paint Manufacturers Association.
- Azom.
- Composites Institute of Australia.
- Institute of Automotive Mechanical Engineers.
- Motor Vehicle Repair Industry Authority.
- Printing Industries Association of Australia.
- Standards Australia.

Private Businesses

- AirClean Technologies.
- Airmet.
- CeeChem Australian.
- Clean Air Technologies (Aust).
- Clyde-Apac.
- Ecotech.
- Indus Air Systems.
- Maquarie Environmental Engineering.
- New Environment Management and Technology.
- Sydney Automotive Paints and Equipment.
- The Canary Company.
- United Air Specialists.
- WorkSafe Medics.

Businesses Involved in the Business of Air Quality Project in Warringah

- Brookvale Abrasive Blasting.
- Burnt Creek Joinery.
- Colormaker Industries.
- Craft Auto Smash Repairs.
- Fibreglass International.
- Graham Mason Welding.
- Hempel Australia.
- Marvel Engineering.
- Narrabeen Smash Repairs.
- New & Old Cabinet Making & Joinery.
- Northside Printing.
- Pacific Marine Pty Ltd.
- Sarmax Detailed Joinery.
- Symrise.
- Viking Sheet Metal & Engineering.
- Warner Surfboards.
