- (i) Whenever specifically determined or requested by the Council, on-site inspections of properties or other matters relevant to an item on an Agenda will be arranged by the General Manager immediately prior to that meeting. A video presentation may be arranged instead of an inspection where circumstances (such as an early sunset) would hinder an inspection.
- (ii) A Councillor may notify the General Manager (or delegate) by the Friday preceding a Council Meeting of any sites they wish to have inspected by the Council. Such requests will be referred to the Chairperson for consideration and determination. The Chairperson's decision will be communicated to all Councillors.

14. Giving notice of business

- (1) A Council must not transact business at a meeting of the Council:
 - (a) Unless a Councillor has given notice of the business in writing within such time before the meeting as is fixed by Council's code of meeting practice or, (if the Council does not have a code of meeting practice or its code of meeting practice does not fix that time) as is fixed by resolution of the Council;
 - and
 - (b) Unless notice of the business has been sent to the Councillors in accordance with section 367 of the Act.
- (2) Subclause (1) does not apply to the consideration of business at a meeting if the business:

 - (b) Is the election of a Chairperson to preside at the meeting as provided by clause 9 (1); or
 - (c) Is a matter or topic put to the meeting by the Chairperson in accordance with clause 16; or
 - (d) Is a motion for the adoption of recommendations of a Committee of the Council.

- (3) Despite subclause (1), business may be transacted at a Meeting of a Council even though due notice of the business has not been given to Councillors. This can only happen if:
- (a) A motion is passed to have the business transacted at the Meeting; and
 - (b) The business proposed to be brought forward is ruled by the Chairperson to be of great urgency;
- A motion of urgency may be moved at any time during a meeting and without notice, provided that the councillor bringing such matter under the notice of the meeting shall specify the nature of the business in writing to the Chairperson.
- If the motion is ruled by the Chairperson as being of great urgency, the matter will be included on the Agenda as the first item of business under Item 12.0 unless the mover chooses to have the matter dealt with at a later time.
- (4) Despite clause 23, only the mover of a motion referred to in subclause (3) can speak to the motion before it is put.

14.1 Notice of Business

- (i) Ordinary Council, WDAP, WDRP and Standing Committee Meetings:

The General Manager must send to each Councillor, at least 3 days before each meeting of the Council and Standing Committee, a notice specifying the time and place at which, and the date on which, the meeting is to be held and the business proposed to be transacted at the meeting.
- (ii) Extraordinary Meetings of Council (see also Clause 5.2):

(That is one week prior to the meeting.)

All Notices of Motions, including Mayoral Minutes and Business Paper recommendations, where monies are to be expended, shall identify an equivalent funding source, from additional revenue generation, cuts or savings in the proposed expenditure on projects or programs.

As circumstances necessitate, reports not listed for consideration on the Business Paper may be tabled at an Ordinary Meeting. The General Manager is authorised to submit late agenda items.

Late reports should only be brought forward in the case of necessity and are to be forwarded to Councillors via email no later than midday on the day prior to the meeting at which the item is to be considered.

For matters not listed on the Agenda of meetings and where less than three (3) days notice has been provided in accordance with Clause 14.1 of this code, a motion of urgency will need to be passed by Council prior to the matter being considered.

The motion of urgency is to include the reason why the matter is considered to be urgent.

- (b) Despite clause 14.2 (i) (a) such closing time for lodgement of a notice of motion shall not apply in respect of a notice of motion which becomes the subject of an Extraordinary Meeting called by the Mayor, or convened by Council resolution, and is included as an item of business in an Agenda of that meeting.
- (ii) (a) The General Manager must not include in the business paper for a Meeting or Committee of Council any business of which due notice has been given if, in the opinion of the General Manager, the business is (or the implementation of the business would be) unlawful or outside the jurisdiction of the Council or Committee of Council. The General Manager may on his or her own initiative make such alterations, corrections or amendments as will put such notice of motion into appropriate form (without changing its substance). In either such event, the General Manager will, as soon as practicable, inform the author of the notice of motion of the action which the General Manager has taken and the reasons for that action. Further, if requested by the author of a Notice of Motion, the General Manager may include a comment on the Notice of Motion in order to provide additional context, background or other relevant information.
- (b) The General Manager must report without giving details of the items of business any such exclusion to the next meeting of Council (without disclosing the details of the item of business)
- (ii) All notices of motion shall be dated and numbered as received and shall be entered by the General Manager upon the Agenda in the order in which they are received, and except by the resolution of the Council, all such notices of motion shall be taken and considered in the order in which they appear on the Agenda.

- (iii) A notice of motion may be withdrawn by a Councillor or a Councillor may withdraw their signature to a notice of motion, by signed written correspondence to the General Manager, prior to the matter being moved for debate at the Council Meeting.
- (iv) A notice of motion (not being a notice of motion of rescission) may be submitted in the following manner:-

 - (b) By facsimile or e-mail transmission provided the original signed notice is in the hands of the General Manager prior to commencement of the meeting at which it is to be considered.

- (i) (a) A notice of motion to rescind or alter a resolution of the Council shall be submitted in writing and delivered to the General Manager before or not later than 12 noon on the Tuesday seven (7) days before the meeting of Council at which the matter is to be considered.
- (b) Despite clause 14.3 (i) (a) such closing time for lodgement of a motion of rescission shall not apply in respect of a motion of rescission which becomes the subject of an item of business in an Agenda of an extraordinary meeting called by the Mayor or convened by Council resolution.
- (ii) In submitting a notice of motion of rescission the Councillors must (if applicable) also give written notice of any consequential motion to be considered if the rescission motion is adopted.
- (iii) (a) A notice of motion of rescission/alteration can only be withdrawn, and a Councillor who is a signatory to such a motion can only withdraw that signature, by signed written correspondence to the General Manager, prior to the matter being moved for debate at the Council meeting.
- (b) Where total withdrawal, or withdrawal of signatures (leaving less than three signatures) occurs, such motion shall then be deemed not to be in order and it shall be the duty of the General Manager to thereupon carry into effect the decision of the Council.

- (iv) A notice of motion of rescission/alteration of a resolution shall not be brought forward for consideration, as a matter of which notice has not been given under Clause 14 or 15, at the same meeting at which the resolution is carried unless:-
 - (a) It is imperative that a decision be made by the Council to meet or comply with any deadline.
 - (b) Such delay would place the Council in a position of breach of some statutory function, duty or obligation for which a penalty is in force.
 - (c) It is necessary to review or reconsider a matter in the light of further or new information, which may render the earlier decision wrong, void or invalid.
- (v) A notice of motion of rescission/alteration may be submitted in the following manners:-
 - (a) Any single written notice signed personally by three (3) or more Councillors.
 - (b) Electronically or by facsimile transmission of a duly signed notice provided the original notice bearing the three or more original signatures is in the hands of the General Manager by noon on the sixth day (i.e. Wednesday) prior to the meeting of Council (i.e. following Tuesday) (refer to Clause 14.3 (i).)
- (vi) Upon any Rescission Motion being lodged, all Councillors are notified and provided a copy within two business days of its receipt.
- (vii) All notices of motion of rescission/alteration shall be dated and numbered as received and shall be entered upon the Agenda in the order in which they are received.
- (viii) A notice of motion of rescission/alteration shall be given the same priority for consideration as applies to notices of motion. The motion shall be put after the mover and seconder have spoken and an equal number of speakers have spoken against.
- (ix) If a notice of motion to rescind a resolution is given at the meeting at which the resolution is carried, or up to 12 noon on the working day following the meeting, the resolution must not be carried into effect until the motion of rescission has been dealt with.

Unless resolved otherwise, it is Council's practice not to implement decisions of the Council until 12 noon on the working day following the Council and/ or committee meeting.

- (i) The Councillor(s) who has submitted a notice of motion, and the first named Councillor on a rescission motion, shall have the first call to move such motion as submitted.

 - (b) If the motion of rescission is adopted, then the consequential notice of motion must be moved and seconded and may be the subject of amendment in accordance with this Code.
 - (c) If the motion of rescission is defeated, the consequential notice of motion shall be ruled out of order.
- (iv) Notwithstanding clause 14.4 (i), (ii) and (iii), the Chairperson may call over any notice of motion given by two or more Councillors, or motion of rescission and consequential notice of motion given by three or more Councillors included in the Agenda, as formal motions before the meeting without the need for such to be moved and seconded, and may put such motion to debate and the vote.

 - (b) Where a non-pecuniary interest has been declared by a Councillor in a matter at a Council or Committee Meeting and that non-pecuniary conflict of interest is considered by the Councillor to be significant, the Councillor must leave the meeting, be out of sight of the meeting and not participate in discussions or voting on the matter.
 - (c) Where a non-pecuniary conflict of interest has been declared by a Councillor in a matter at a Council or Committee meeting and that non pecuniary interest is considered by the Councillor to be less than significant and not requiring further action, the Councillor should provide an explanation of why he/ she believes the conflict requires no further action in the circumstances. The Councillor is therefore not required to leave the meeting and may participate in discussions and voting on the item.

- iv) Though a conflict of interest is not covered by the provisions of the Act, the Councillor must not be in the meeting room at the time the vote is taken as the Councillor's presence and not voting is taken to be a vote in the negative.

Disclosure to be Recorded

A disclosure made at a meeting of Council or a Committee must be recorded in the Minutes of the meeting (section 453).

14.6 Notices of Censure

- 1) All Notices of Censure intended for consideration at any meeting are to be lodged no later than 12 noon on the Tuesday seven (7) days before the meeting of Council at which the matter is to be considered.

- (2) Despite subclause (1), business may be transacted at an extraordinary meeting of a Council even though due notice of the business has not been given to the Councillors. However, this can happen only if:

- (3) A recommendation made in a minute of the Chairperson (being the Mayor) or in a report made by a Council employee is, so far as adopted by the Council, a resolution of the Council.

If, as a result of the ruling, any motion of business has been discharged as out of order, the Chairperson must restore the motion or business to the Agenda and proceed with it in due course.
- (3) Despite clause 23, only the mover of a motion of dissent and the Chairperson can speak to the motion before it is put. The mover of the motion does not have a right of general reply.

- (6) Responses to Questions On Notice are to be included, as soon as practicable, under the Agenda item, 'Responses to Questions On Notice', in a subsequent business paper for an Ordinary Meeting of Council.

 - (a) Through the Chairperson, put a question to another Councillor; and
 - (b) Through the General Manager, put a question to a Council employee in relation to any other matter on the Council Agenda.

 - (a) Are substantial issues relating to a matter in which the Council or Committee is involved, and

 - (c) Are fully discussed in that advice.
 - (3) If a meeting is closed during the discussion of a motion to close another part of the meeting to the public (as referred to in section 10A (3)), the consideration of the motion must not include any consideration of the matter or information to be discussed in that other part of the meeting (other than consideration of whether the matter concerned is a matter referred to in section 10A (2)).
 - (4) For the purpose of determining whether the discussion of a matter in an open meeting would be contrary to the public interest, it is irrelevant that:

10C Notice of likelihood of closure not required in urgent cases

Part of a meeting of a Council, or of a Committee of the Council of which all the members are Councillors, may be closed to the public while the Council or Committee considers a matter that has not been identified in the Agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

- (a) It becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A (2), and
- (b) The Council or Committee, after considering any representations made under section 10A (4), resolves that further discussion of the matter:
 - (i) Should not be deferred (because of the urgency of the matter), and
 - (ii) Should take place in a part of the meeting that is closed to the public.

10D Grounds for closing part of meeting to be specified

- (1) The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the Minutes of the meeting.
- (2) The grounds must specify the following:

- (a) The relevant provision of section 10A (2),
- (b) The matter that is to be discussed during the closed part of the meeting,
- (c) The reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

11. Public access to correspondence and reports

- (1) A Council and a Committee of which all the members are Councillors must, during or at the close of a meeting, or during the business day following the meeting, give reasonable access to any person to inspect correspondence and reports laid on the table at, or submitted to, the meeting.

 - (a) relate to a matter that was received or discussed; or
 - (b) were laid on the table at, or submitted to, the meeting, when the meeting was closed to the public.
- (3) This section does not apply if the Council or Committee resolves at the meeting, when open to the public, that the correspondence or reports, because they relate to a matter specified in section 10A(2), are to be treated as confidential.

- (1A) However, subsection (1) does not require a designated person who is a member of staff of the Council to disclose such a pecuniary interest if the interest relates only to the person's salary as such a member of staff or to his or her other conditions of employment or the like.
- (2) The General Manager must, on receiving a disclosure from a designated person, deal with the matter to which the disclosure relates or refer it to another person to deal with.
- (3) A disclosure by the General Manager must, as soon as practicable after the disclosure is made, be laid on the table at a meeting of the Council and the Council must deal with the matter to which the disclosure relates or refer it to another person to deal with.

ANNEXURE II

Rescinding/Alteration Notes of a Council Resolution

The following notes are provided to assist Councillors and staff who have to respond to public enquires with the 'rules' which relate to rescission motions.

Court Decisions

Several court decisions have been handed down which establish some principles concerning a Council's ability to rescind or alter a previous resolution. Several of these decisions, relate mainly to town planning issues, however they have been applied in other situations, as can be seen from the cases quoted below.

**1. Ex parte Renouf, re Waverley Municipal Council (1924)
24 S.R 463**

This involved an application for subdivision approval, but for present purposes there is an analogy to be drawn between an application for subdivision approval and an application for building approval. In the course of his judgement Street, ACJ said,

“Before a decision on an application has been communicated to the applicant and, therefore, before it can have been acted on in any way, I can see no reason why the Council should not reconsider any determination it may have come to.”

“... as long as the Council keeps within the period of 40 days mentioned in s. 341, I see nothing in the language of the Act to prevent it from reconsidering an uncommunicated determination, which may have been ill-considered or too hastily formed. Whether there is any power to recall or reconsider a decision arrived at in good faith, after an applicant has been notified of it, is a matter which is not before us for consideration, and which we need not consider.”

**2. Ex parte Wright, re Concord Municipal Council (1925)
(LGLR Vol 7; page 79)**

That was again an application for subdivision approval. The applicant there had in fact commenced to build on the land on the basis of a valid subdivision having been approved prior to the purported intervention of the Council to rescind its approval. It was held on the facts of that case that, the applicant having been informed by the Council of its resolution and having acted upon the faith of the information conveyed to him by Council, he was immune from subsequent interference by the Council with his continuing the building work.

**3. Ex parte Forssberg, re Council of the Shire of Warringah (1927)
(LGR Vol 8 Page 74)**

The Full Court was concerned with a subdivision application. In that particular case the applicants had been in correspondence with the Shire Clerk, and, in reliance upon an intimation in that correspondence that the application had been approved they commenced to carry out work consequent upon their belief that the subdivision had been approved. In the course of his judgement Ferguson J, with whom the other two judges concurred, said:

“ I have not doubt he would have the right to compel the Council to affix the seal, but the Council, where it has in fact approved of a plan and notified its approval cannot disavow the approval by reason of its own neglect to comply with the ordinance by affixing the seal.”

**4. Little v. Fairfield Municipal Council (1962)
(LCRA Vol 8, page 64)**

Again subdivision case. The Council had duly notified the owner of its approval of the subdivision, but it subsequently refused to seal the plan and purported to impose additions. Richardson J referred to the reliance placed by the respondent company upon Ex parte Renouf, and his Honour said:

“... the Full Court held that a Council acted within power in rescinding approval and in refusing the application, but that case is clearly distinguishable since the approval which was rescinded had not been notified. In my opinion, the principle in Forssberg’s case did not rest upon the matter of expense involved in preparing a new plan and specifications or inconvenience in undertaking additional construction work, but upon the principal that a Council, having accepted a plan of subdivision and communicated that acceptance, cannot afterwards reject it.”

**5. Mosman Municipal Council v. Bosnich (1969)
(L.G.R.A Vol 17 page 74)**

Hardie J considered an application by Mosman Council for an injunction to prevent constructor of building and a resolution of the Council to rescind a building approval. His Honour said:

“It is reasonably clear from the language of the legislation and from the principles established by decisions on approvals and consents under the Act that an approval when communicated and acted upon by the applicant is no longer capable of being rescinded by the Council.”

Although his Honour did not cite authority for that statement, he clearly had in mind the cases referred to in this annexure.

**6. Ku-ring-gai Municipal Council v. Little (1970)
(L.G.R.A Vol 18; page 380)**

In this instance the application was for development consent under the relevant part of the Local Government Act when a subsequent building application was lodged it was refused by the Council and the Council also purported to revoke and recall the development consent. His Honour Hardie J mentioned the cases of *Little v. Fairfield Municipal Council* and *Mosman Municipal Council v. Bosnich* as being of interest, but as not necessarily providing the answer to the issue before the Court in that case. His Honour held:

“Having regard to the relevant provision of Pt. XIIA of the Act and of the Ordinance it is reasonably clear in my view that a valid consent decided upon by a responsible authority and communicated to the applicant cannot be revoked or recall by the responsible authority. The decision so made and communicated is irrevocable.”

**7. Shanahan v. Others v. Strathfield Council (1973)
(L.G.R.A Vol 18; page 380)**

Concerned a building approval granted but then rescinded by the Council. It is common ground that no formal notification was given to the plaintiffs of the terms either of the resolution of the Council at its meeting on 11th September 1973 or of the resolution at the meeting of 25th September 1973. In fact the second plaintiff is an alderman of the Council, and, although he properly absented himself both from the Council meeting and the Committee as a whole when the business concerning himself was under consideration, he became aware informally immediately upon rejoining the meeting of what had taken place during his absence.

Held: (1) That formal communication, as distinct from informal knowledge, was necessary before a Council is prevented from revoking or modifying a building approval. (2)...(3)...(4) That, in consequence, no valid and presently operative building approval was held by the plaintiffs and the summons should be dismissed.

**8. Hall v. Ku-ring-gai Council (1990)
(L.G.R.A Vol 70, page 385)**

The Council resolved on 30 January 1990 to grant Cr Hall “leave of absence until such time as the Council’s legal action (against Cr Hall) and all matters pertaining thereto, had been concluded”. On 6 March 1990 the Council sought to rescind the 30 January 1990 resolution and resolved that leave of absence granted to Cr Hall be confirmed to the period 31 January 1990 to 6 March 1990 only, noting that the legal action was contemplated to commence on 18 and 19 April 1990.

Held: The resolution of 6 March 1990 was also invalid as the Council’s power to grant leave of absence is to be exercised once in relation to any particular request and once exercised is beyond the power of recall of any rescission motion under clause 25 of Ordinance 1.

**9. Panagopoulos v. Willoughby City Council (1992)
(78 L.G.E.R.A 270, page 270)**

Communication of the Council's determination of the application was complete upon the oral notification thereof to the applicant at the Council meeting of 2 December 1991 and accordingly the Council's purported later incorporation of additional conditions therein was null and void.
