Mail to: Manly Council, PO Box 82, Manly 1655

Email: records@manly.nsw.gov.au

Web:

www.manly.nsw.gov.au/environment/bushland/bushcare-in-manly/

Service Description: Manly Council Bushcare is an environmental program encouraging the community to get involved and help protect and restore our precious urban bushland.

Bushcare groups work each week in a variety of bushland areas. There's a group to suit everyone, no experience is necessary.

Each Bushcare group has tools and gloves to use on site, plants and mulch as needed plus a qualified supervisor for additional support.

Activities include encouraging natural bushland regeneration by removing weeds, native plant and weed species identification, recreating bushland by planting native species and recreating habitat.

Bushcare is a great way to develop an understanding of the local environment and to meet and socialise with like minded people interested in conservation.

For a free information pack on the Manly Council Bushcare Program, please contact Manly Council on (02) 9976 1500.

Hours: Every Wednesday 9am - 12 noon and Saturdays at various locations.

Manly Council

See Page 60
